PRESIDENT'S MESSAGE: MR. ED STOKES,

the Diablo Foods team, and friends were at the meeting to listen to the head coach of Saint Mary's Basketball Randy Bennett. Randy told us all the good news he had for his team. He took over as the head coach for the 2001-2002 season and has an overall record of 43-47. The team, called the Gaels, had a second place finish in the West Coast Conference for the 2003-2004 season. This is the fourth time Randy spoke at our club, he has tremendous pride for his team and the progress they are making from the winning season last year and a rebuilding season this year! He is married with two children and lives in Lafayette. He shops at Diablo Foods and enjoys everything about our community and the support the team is receiving. Randy started this year with the loss of most of his starters who have graduated. He has had a busy time rebuilding and motivating his new recruits and feels as they move forward they will be on top again. His assistant coaches all started with him and they have done a great job recruiting and creating a culture of good sportsmanship and working to achieve excellence.
