## President's Message: Various

members have informed me that last Thursday's meeting was very special; emotional, and uplifting. A special thanks to President Elect Ron, and a speaker with a surreal life story Bob Aguilar. And, of course our very special guest visitor was Cristina Cogburn.

**Today**, in addition to our club assembly we will hear from one of our high profile members...Jay Lifson. Jay is currently the President of the Chamber of Commerce. He has a fascinating past and today we will enjoy the pleasure of his reflections.

**Next week** our guest speaker will be Moe Levitch and probably some members of the Generations in Jazz group. We're blessed to have a plethora of musical talent in our midst. This is an opportunity to get "up close and personal" with them.
