President's Message: Baseball

season opened this week and, excuse me ...but, I love the game. I started following a team when I was ten and have enjoyed every season since. Moving about the States as a "trained paper pusher" for the US Navy I had the opportunity to visit many baseball parks starting with the

Cubs in Chicago. Having two teams close to us in the Bay area is an opportunity And, Rotary is planning a night at the A's in May. More details to follow.

Last week, we had the pleasure of hearing from one of our distinguished members, Tim McKinley. He told some great stories of fighting the bad guys while working for the FBI ...especially pursuing the "Hell's Angel's" motorcycle gang. He kept our attention as he revealed events from his very interesting life. He also

noted that some people had questioned his sanity for practicing "family law" after retiring from the FBI. Tim indicated that he thought his new career was somewhat similar too the past ...volatile, messy, intriguing....

Our special guest this week is Dick Rainey. Dick has recently accepted a position with HUD. He is a good friend of Rotary and has a history of Public Service beyond compare.

Next week, Midge Shusta will share with us a research project that resulted in a very wonderful book. We know Midge for her great voice and the real "mover and shaker" in the Shusta household. Also, don't forget we will be meeting at the restaurant "Aladdini" (formerly Basil Leaf).
