## **PRESIDENT'S MESSAGE: LAST WEEK**

week our program was Scott Tandy, Assistant County Administrator. He took us through a litany of funding problems, labor negotiations and missing department heads. Scott was, for instance, the Acting Fire Chief during a tense firefighter wage negotiation. It sounds like a series of tasks for one with a level head and a strong stomach. Scott has held this position for 19 years. This week we will have a representative from the American Cancer Society. Cancer research is in a particularly fruitful period for a number of types of cancers. It should be an interesting program. Nearly every family is affected by this class of diseases. It should be an interesting program. Our Finemaster, Tom Courtright is just back from Las Vegas. He should be able to report on his level of assistance to their vigorous casino construction program. Saturday is our Concert at the Res. Friday afternoon we need a turnout of all physically able hands to move the stage from Stanley School up to the Reservoir. Same for the concert and move out Saturday. See you there. Ed Searby
