THE PREZ SAYS : CONGRATULATIONS

Lafayette Rotarians! The Rotary Concert at the Res was a big success...great music from the Stanley School, Acalanes High School, and Rossmoor Bands...great weather with sun and a breeze to keep things cool...great food thanks to Ed Stokes and Diablo Foods, cooked by the Hungry Hunter BBQ wagon under the direction of Michael Heller...great teamwork by our Rotary crew of over 25 involved people...thanks all! We had an added bonus because I was able to corner John Coleman from EBMUD and our Mayor Erling Horn to discuss our Centennial Project, the permanent stage at the Res. We all agreed that it would be possible to erect a level stage using the shade trees we now use for the band. Mr. Coleman pointed out a possible site directly behind our "hot dog stand" facing the grass with the Res as the backdrop. Dick Holt is going to Work with a committee on the next phase with plans to be presented to the EBMUD board. Things are again moving ahead, stay tuned for info on Res Stage planning meetings. Our website www.rotaryclublafayette.org has been honored at the District Conference with a 3rd place certificate, great job Doug Johnson with pictures by Ed Searby. Last week many of us attended the

services for George Ely, past Rotary President and long time member. He was a very generous Rotarian, annually sponsoring one of the students to Camp Royal by himself...George was always willing To share his opinion with you on many matters, we will miss him. Congrats Chris Lane, he was honored by the Contra Costa Council as the small business of the year for the Lafayette area. Lend a Hand. Ron Wake

CONCERT WRAP-UP

Well...it all came together, thanks to the hard work of the many Rotarians who pitched in. Although the net profit has not yet been tallied (please get your bills (and revenue) into Charlie ASAP), it would appear that this year's event was the best ever. The quality of the music was superb, weather was ideal, more people attended (and got to sit on real chairs), we had more than enough food and drink, and the stage and "logistics" went smoothly. Ed Searby needs to be singled out for his outstanding efforts. He supervised and coordinated the stage erection and tear-down, set up the sound system, and was involved in just about every facet with the exception of cooking the hot dogs. Well done, Ed. And Kudos are also due for so many others: Without Ed Stoke's food and drink, our profits would not be where they are; thanks Ed for your generosity; and without Tom Courtright's trucks, how would we have gotten the stage, chairs, and instruments to and from the site? And the sight of Courtright high up a ladder tying down the parachute was something to behold. Michael Heller's major food group was most impressive. All of you who lifted, nailed, drove shuttles (and shoved fat ladies into the SUV), sold food and drink, t-shirts, raffle tickets, you should all feel that your contributions made this an event that reflects well on Rotary, raised money for our projects, and is appreciated by the community. We have been given positive direction by EBMUD and the Mayor of Lafayette to "get going" on the permanent stage project. All who want to be involved in this should come to our initial meeting at Bill Eames' office Wednesday May 26th at 5:PM.

MEALS ON WHEELS DRIVER'S SCHEDULE **LAFAYETTE ROTARY CLUB**

	Driver	Shotgun
21 May	Sandi Mitchell	Dick Holt
28 May	Judy Francis	Larry Duson
