## President's Message: This Week

**is the 9<sup>th</sup> Anniversary of our Annual Rotary Concert At The RES.** The weather changes, the faces change, the musician's change, even the venue has

changed. The one constant has always been our Rotary Club. We're still building a stage for the musicians, hauling equipment from the schools to the reservoir, serving up hotdogs, and projecting Rotary into the Lafayette community in a way that is the envy of most other service clubs. The impetus behind the concert has always been **Dick Holt**. Through the years we

have wobbled and weaved in our enthusiasm and support, but we have preserved because **Dick** would not waver from the goodwill we fostered with the schools and the Lafayette Community. Keep pushing us **Dick**, we're moving in the right direction. And, thank you for "staying the course."

**Our guest speaker last week was Steve Falk.** How lucky we are to have the City Manager in our midst. His passion for the job, love for Lafayette, and gregarious personality makes him a magnet for everyone that lives here. **Steve** enraptured us with updates on the new library, vets building, and city budget. His ability to blend the State budget crisis with our local budget shortfall into a dramatic presentation was priceless. And, it was just a routine luncheon for Rotarians. Thanks **Steve**.

**Upcoming Events:** Next week our guest speaker will be **Mr. Peter Bedford.** Bedford Property Investors is a self-administered equity real estate investment trust (REIT) with investments in suburban office buildings and industrial properties concentrated in the western United States. His is a Lafayette based enterprise and we are privileged to have the opportunity to hear him speak. Way to go Ed.
