## **THE PREZ SAYS : THANKS**

Lafayette Rotarians for a great year! My goals for the year were repeated at each board meeting: Involve all members, invite new members, have successful fundraisers, support the Rotary Foundation and...HAVE FUN!! With your help I know we accomplished all these things this year. You all have contributed to our success by volunteering, working, organizing, contributing money and goods, lending advice and just plain being there when help is needed. We all have busy lives and I'm glad you each have been able to set some time aside to be involved in our club. In return I hope you've gained fellowship with new friends and a sense of gratification that comes from helping others. It's been great to see Bob Underwood at the meetings after a long lay off...welcome back Bob, it looks like you're getting around pretty good now, don't worry... with Dick

## **TODAYS SPEAKER:**

# **T. B. A.**

Holt's organization of many volunteers, the Meals on Wheels project has been running smoothly. Last week I spent the meeting time recognizing and thanking our club helpers with donations of books to the library in their name. Thanks all, you've really found a way to "Lend a Hand" and make this year a great success.
