## The Prez Says :

## Rotary

International's motto for 2003-2004 is "Lend a Hand"!

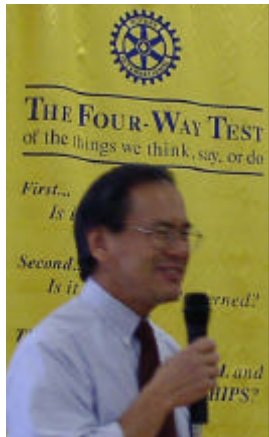

Let's all chip in to build our club. August is membership month, who do you know that may enjoy the benefits of Rotary? Let one of our board members know and we can contact them for you to invite them to a meeting! Thanks

for some of the suggestions already! Our district 5160 is forming a GSE (Group Study Exchange) team of young professional and business people for an expense paid trip to Brazil April 2004. These non Rotarians should be between the ages of 25 and 39 who will benefit from a learning cultural and business exchange. It's a great opportunity. Our district is also looking for '04-'05 long term youth exchange students. Our kids can see the world as it is best seen-from the inside out-as a Rotary Exchange student! A big thanks to Mike Heller, Concord BMW car for the weekend and Mike Kearney, The Nut Factory gift basket, for our clubs donations to the October 18th Brazilian Carnival Foundation silent auction. Goal Enders!

week we heard from Bob Hanson, President of the Yosemite Fund. Yosemite was designated the first "Preserved area" by Pres. Lincoln even before National Parks were formed. Bob lived there for 14 years and began his love and respect for the park long ago. The Foundation's donations go to many projects within the park.

THANKS TO ED SEARBY, OWNER OF DIABLO ENGINEERS, INC.,  
FOR PROVIDING THE PHOTOS ON THE PREVIOUS PAGE.
