## **PRESIDENT'S MESSAGE: LAST WEEK**

we had another great program in the "Expose Yourself!" series. Larry Blodgett gave us an account of growing up in the '60s in Lafayette, a couple of career trials before taking over the family enterprise and getting involved in the community. Jack Hansen gave us an upbeat view of a childhood that could be described as "challenging". World War II and the Navy made him a dentist. He drilled his way through the war years before coming to the then small town of Lafayette to set up

his practice. Thanks to both speakers for an interesting perspective on their lives and the community. Last Saturday Lafayette Rotary provided Breakfast for the Walkathon for Cancer held at Bentley School. Volunteers included Mike Heller, who did the major organizing of our part of the event and brought Granddaughter Amanda R. as well as Exchange Student Josephine Bosch. Other volunteers were Dale Turner, Tim Mckinley, Tom Henry, Jay Lifson, Don Anderson and your pres. It was a first rate showing of Rotarians for a relatively small event, a really good cause, and we were properly appreciated. Thanks to all. This week we are going to hear Edward Zeidan who has a business descriptively named, "Nerd for Rent." He does what it says, will call on your home or business to make your computer **FLY!**
