President's Message: Last Week

our president-elect Ron Wake stepped into the "breech" and proved he is more than capable of leading our club. Reports are that he had fun, engaged the membership and discovered a new Sgt. Of Arms in Bill Eames. Thank you Ron and Bill. Our guest speakers were Marjorie Winkler

(Girls, Inc.), and Royalita Mickens (Girl Start). Their program helps "at risk" grammar school girls reach their grade level in reading skills.

These wonderful ladies are great examples of adults helping youth, instead of depending/hoping that the government or other federally funded agency will solve our problems. They are very much like Rotarians...helping others to better themselves. Thanks Bud Moulthrop and keep us apprised of the doings of this inspirational non-profit. Our world travelers are returning

TODAYS SPEAKER :
Laura O'Donaghue

with stories and contributions to our recognition fund. Of note, Tom Courtright (around the Med & Europe) 20.

Barry T. for a trip to room 711 (Ill. birthplace of Rotary), Mike Henn, Alan Mac, Bob Ewen and Bob Underwood for memory lapses...1; Past Prez Mike Heller for cellphone violation...5 (still owes 4); and Sandi Mitchell...20 for being happily married and Jack Hanson...50 for being a Rotarian for 45.

Next Week: Brother Rapatel Patton, Saint Mary's College will be our guest speaker. St. Mary's is one of the architectural and educational gems of the East Bay. Our Rotary club is going to become much more involved with St. Mary's. Bro. Patton will give us an insightful, informative overview of OUR college. Bring a friend, a student, or a friend of St. Mary's.

Sow the Seeds of Love. Ed Stokes, our 2002/2003 Honorary President is celebrating his 80th birthday with a golf tournament on Wednesday, October 23rd. Commitments are Webb, Lifson, Vaisnor, Searby, Holt, Kearney, Wake, Bernson, Mitchell, Bland, Jensen, and McKinley.

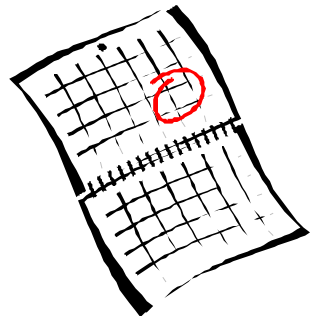

Art & Wine. This year's Art & Wine is going to be bigger and better than ever. We will serve hamburgers and introduce our auto for this year's raffle. Board director Bill McCabe and chair Mike Heller will be asking for your aide...all it takes is a big smile, a warm hello, and the words "the condiments are on your left". We will have an ample supply of "complimentary lunch" cards available. Invite those interested in Rotary to a club lunch. It is a great way to make new acquaintances and recruit new members. Plus, working under a hot tent, with grill smoke in your eyes, and a stream of hungry visitors demanding their lunch, is where fellowship takes a foothold. If you want to know your fellow Rotarians

a little better...participate. We are flexible with whatever effort you can make. We also will be manning a LAMORINDA Rotary Information Booth with the other three clubs. Sandi Mitchell will woman the booth from 10-12 Saturday and Ed Stokes from 2-4 Sunday. The purpose here is to recruit, and educate visitors about the four Lamorinda Rotary clubs. See Sandi for additional details.
