PRESIDENT'S MESSAGE: THE CITY

of Lafayette is our home and place to be proud of, emanating a sense of community and fellowship at a time when spirits were bombarded with television and the papers warning us about the impending war. Last Thursday night we gathered in the new Lafayette Plaza to hear our mayor Ivor Samson and the honorary mayor Ed Stokes share some special thoughts and feelings on the subject of Peace and Freedom! As we stood there with our candles and listened to the music and Taps we were all very fortunate Steve Falk and his team put such a great program together with such short notice. Last weekend the Art and Wine Festival again gave our community an opportunity to get together and share and celebrate life in Lafayette. We also had a lot of fun at our booth selling hot dogs and selling raffle tickets for our BMW drawing. Alan Mac and his wife Lisa handed out a lot of green pens advertising Stanley Insurance to fill in the stubs for raffle tickets and they were great!!!! Everyone who signed up to work our booth showed up and we had a very successful weekend, talking about what we do as a club in Lafayette. Our club was amply represented as many of our members are on the Board for the Chamber!

To our delight we had the pleasure of **Helen** and **Andrew**, ages 101 and 99 respectfully, enjoy our fellowship and our program. Rotary has brought them many great opportunities and experiences which they shared at their table!

Sue and Cal Adams also contributed this week, working our booth and selling raffle tickets with tremendous enthusiasm!

Bud Multhrop gave President **Mike** a great tribute for the U.S.A. that was read as part of our comments about last Tuesdays attack. Thanks **Bud** for those wonderful thoughts.

Bob Shusta read some letters he received from our Russian friends expressing support for our families in the wake of the plane wrecks.

Stacy Stell, the manager of Oakwood Health Club, presented President **Michael** with a T-Shirt advertising the American Heart Walk as part of the Oakwood-Club Sport walking team. More information can be obtained at the front desk!

Steve Falk announced the Candlelight Vigil at the Lafayette Plaza to which many of our members attended! This week the Jazz concert will resume on schedule.

Larry Duson and the selling team at United California Bank have sold almost 50 tickets for the BMW raffle. What a great start for us! If you need extra tickets please call **Larry** and go to the bank to turn in your money. This is our main fundraiser and we need the money now!!

Bob Shusta took us through his life in police work and kept us on the edge of our seats for as long as he dared; from the streets of Berkeley and Oakland controlling protesters in the 60's to developing training manuals and procedures for the city of Concord, to finally developing the design and building of the new Police Headquarters for the city of Concord. **Bob** has done it all and even survived a couple of shootings. WE are fortunate to have such a talented man in our midst. WE want you to know we appreciate your talents and your caring spirit.
