PRESIDENT'S MESSAGE: THE SPEAKER

on October 7 was Bob Shusta, one of our own Rotarians. The fire truck made its way to Mexico after 5 presidents of our own Rotary Club and 4 presidents of the Mexican club. This fire truck is a combination pumper and has a tank facility. It will be housed in a new emergency aid station built by the local people, which will include not only the fire truck but also an ambulance donated by another Rotary club, and some medical supplies. The only problem with this beautiful new fire truck was that it overheated on the way to the fire house -- but that was readily taken care of... A.C. Webb, chairman of the golf committee, reported that over \$6,100 was made at the recent golf outing at Rossmoor. Many thanks to A.C., Ed Stokes, Judy Francis, Polly and all the others on the committee. All the above good Rotarians and other committee members received a Goodbar from your president for the good job they all did.
