## **PRESIDENT'S MESSAGE: IT SEEMS THAT**

each week we are starting later than usual and this week was no exception with our friends Alan Mac and Jay Lifson carpooling our members and both cars were late. Those late arrivals enhanced our coffers a little. Bob Ewen told us about his trip to Ireland and gave a donation as did Greg Vaisnor for the purchase of his new sports car. With bells ringing, Tom Henry was recognized for his telephone turned on! I know the food is great but it would be nice to start the show at 12:30. Our program chair Sandi Mitchell introduced Eddie Snow from Dale Carnegie and his associate Mike Martin who will be our program next week. Eddie has been with Dale Carnegie for over 30 years with a list of accomplishments and honors that took five minutes to recite! He covered the first five principles from Carnegie's How to Won Friends and Influence People as well as gave us an exercise for memory, along with some great stories.

1. Don't criticize, condemn or complain,
2. Give honest, sincere appreciation,
3. Arouse in the other person an eager want,
4. Become genuinely interested in other people,
5. SMILE.

I think everyone came away with something from the memory exercise which involved putting pictures to words in a concise order; something that had a few Rotarians very confused!!!!!!! M. Heller
