President's Message: Thank You

Tom Courtright. Orchard Nursery was stunning, a visual cornucopia of lights and holiday decor, all set in a wonderland of foliage. A lot of work, by a lot of people made our

"turtleneck" party an incredible success. But, Mr. Courtright, and his always gracious staff provided

the stage for our fabulous Rotary evening. Tom has been a Rotarian for 30 years and is a Paul Harris Fellow, past president, sustained supporter, etc. And, he has even stepped up this year to perform the Sgt. of Arms function. He often loans his truck to facilitate us hauling "things" about, and hosts our raffle auto whenever we have a need. And, to top it off this mountain of a man has a superb sense of humor and wit.

TODAYS SPEAKER:
Club Assembly
AC & Company

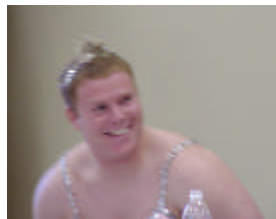

Are we having fun yet? What a party it was. A festive mood, friendly faces, scrumptious hors d'oeuvres, and hot jazz. And, a huge crowd of our friends eager to wish Ed Stokes "happy birthday." Sandi Mitchell, Polly Bernsen, Jay Lifson, Connie Collier, Bob Aguilar, Charlie Vitale, Mike

Heller, Amanda, Bob Underwood, and many others helped make for a great evening. Especially special was the work of Doug Johnson and wife Debbie, for producing a special edition of "Rotations." And, Laura O'Donaghue braved the chill to meet & greet every guest. A lot of our community had their eyes on Lafayette Rotary, and I am proud of the way we represented our club.

Last Week. Our Halloween edition of Rotary was nothing short of spectacular. If you want to know more about this X-rated lunch...ask.

Our auto raffle needs your help. Each Rotarian was issued 10 tickets. If you have sold tickets, we need the raffle stub returned immediately. You are responsible for buying, selling, or assisting with the movement of these tickets. Assisting means, you coordinate with one of the committee members to work a shift with the car. We have devised a "schedule" for the auto so you can plan when you want to assist. And we are starting a "call list," headed by our board of directors. They will be calling you, offering assistance and/or to answer your questions.

Tidbits: We will have a booth at the COCA trade faire on November 13th. The auto will also be on display and we will need energetic individuals to assist with the movement of raffle tickets.

Upcoming Programs and Events:

Our guest speaker next week will be Randy Bennett, Basketball Coach, St. Mary's College.
